FINAL THOUGHTS .................................................. 165

ABOUT THE AUTHOR ............................................. 169

ACKNOWLEDGMENTS

First and foremost: Thank you for your patient patience.

I am grateful to finally be able to recognize and appreciate the contributions of all the people who have made this book possible. A special thank you to my family, friends, and colleagues who have supported me throughout the writing process.

I am especially grateful to my steadfast support team: my wife, Sarah; my children, Emma and Jack; and my in-laws, John and Patricia. Their love, encouragement, and understanding have been invaluable.

I would like to acknowledge the contributions of all those who have helped me along the way: my agents, managers, and business representatives; my fellow writers and industry professionals; and the countless individuals who have provided guidance, advice, and mentorship.

To all my MasterMinders, thank you for your valuable feedback and support. Your insights have helped shape this book into what it is today.

To all the people who have believed in me and supported me, I am truly grateful. Your encouragement and guidance have been instrumental in my success.

Finally, I want to express my deepest gratitude to those who have contributed to the success of this book: my publishers, editors, and designers. Your expertise and professionalism have made this book a reality.

Thank you all for your continued support and confidence in my work.
